STOUGHTON, MASSACHUSETTS

A medieval knight in full plate armor, including a helmet with a visor and a surcoat, lies on his back on a grassy field. His sword lies on the ground near his right hand. A large, gnarled tree with green leaves and red apples stands to his left. In the background, a large, orange, semi-circular shape, possibly a setting or rising sun, dominates the sky. The scene is framed by a thick red border.

"That is the land of lost content,
I see it shining plain,
The happy highways where I went
And cannot come again."

FRESHMAN YEAR

1978-1979

• Ninth grade is a time to move into bigger, broader surroundings, with numerous curricular and activity opportunities available for the class of 1982. • Less than a month into the school year, Stoughton High sports fans are crushed by the home run of Bucky Dent en route to a 5-4 Red Sox playoff game loss. • Also in the fall, Maria Sangiala and Bob Westbrook lead the freshman contingent in the cast of "Cabaret," the all-school musical.

• Officers John Quattrucci, Stephanie Welch, Ellen McCarthy, and Kim Caralano coordinate class activity efforts which include the first of three Pizza Suppers and the Valentine's Day dance, "Don't Go Breakin' My Heart." • Mrs. Kathleen Crimmins and Mrs. Moryanne Casserly are our class advisors. • Kathy Hanley and Kalvis Kirsis earn two of the top five awards in the annual Science Fair.

• The most significant event of our freshman year occurs with the retirement of principal Dr. Peter Sperandio after 13 years at the helm of SHS. • Mr. Albert J. Twamey replaces Sperandio as interim principal. • Nationally, the landmark agreement of the Camp David Accords between Egypt and Israel is reached in March. • The tags of "Animal House" and the zaniness of "Saturday Night Live" are especially popular. • Musical groups, including a Jazz Choir with freshmen David Breen, Maureen O'Donnell, Sangiala, and Westbrook, successfully compete in Bermuda.

EXPRESSIONS

SOPHOMORE YEAR

1979-1980

• By our second year, the novelty of high school has faded, but the frustration associated with being a "freshman" departs, as the members of the class of 1981 aspire to "sophomore" status. • The new year brings Stroughton High a new principal, Mr. Dale LaVelle, promoted from his position as Director of Foreign Language. • Nationally, the fall of 1979 finds our country in the midst of a conflict which will dominate conversation and political activity for the next fourteen months — the Iranian hostage crisis.

• In social activities, sophomores sponsor a Pizzo Supper and a successful dance. • Officers for 1979-80 are Beth Foster, Lori Kermon, Ellen McCarthy, and Christine Morino. • Scientifically, Kolvis Kirsis better his 1979 performance, winning the First Grand Prize Award in the 1980 Science Fair.

• In athletic endeavors, the trackies capture the spring Hockomock League championship with sophomore standouts Joy Eagles, Bob Ricci, Gobi Scott, and Kirsis. • Ten weeks of rehearsal produces the exceptional musical "Pippin," starring Mark Hurley, Bob Westbrook, and Maria Sangiolo along with a host of eleven other sophomores. • The intrigue of J.R. and "Dallas" grabs the interest of TV viewers, while Academy Award-winning "Kramer vs. Kramer" enjoys tremendous popularity among SHS movie-goers.

JUNIOR YEAR

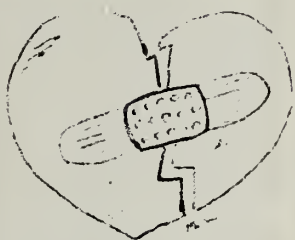

1980-1981

• Junior year for the class of 1982 — up-
perclassmen at last. • Class officers for this year are
John Quattrucci, Jay Eagles, Ellen McCarthy, and
Pat Dunne. • Our third annual Pizza Supper
becomes a big success as all present witness Mar-
vin Hagler's TKO over Alan Minter in Round Three.
• After months of anticipation, our class rings finally
arrive. • At the Thanksgiving Rally, Junior
Kingdom comes away with the spirit award. • Our
Valentine's Day dance, "Hearts of Fire," attracts a
large and enthusiastic crowd.

• The long-dreaded PSAT's arrive only to be
followed by the more-feared SAT's. • "General
Hospital" is the rage as many rush home from
school to see it. • As Ronald Reagan is in-
augurated, the nation learns of the release of the
hostages. • The Jazz Choir comes home from
Washington, D.C. with a gold medal, while both
the Show Choir and Jazz Band sport a silver. • It's
May 14, and "We've Got Tonight," as Erin O'leary
is crowned queen of the Junior Prom. • There's
ecstasy in the air as the Celtics capture champion-
ship No. 14 from the Houston Rockets.

• Members of the class of 1982 once again
dominate this year's dramatic productions, in-
cluding "Dracula" and "How to Succeed in
Business Without Really Trying." • Gabi Scarr sets a
state record in the 300-yard dash. • The class trip
to Rocky Point is a time of fun and togetherness. •
Mr. Sarna is welcomed as the new assistant prin-
cipal. • Thirty-one members from the class of 1982
are inducted into the National Honor Society, elec-
ting Smita Jain president. • Seniority at last.

To be nobody — but yourself
in a world which is doing
its best, night and day, to make
you everybody else — means to fight
the hardest battle which any
human being can fight, and never stop
fighting.

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured, or far away.

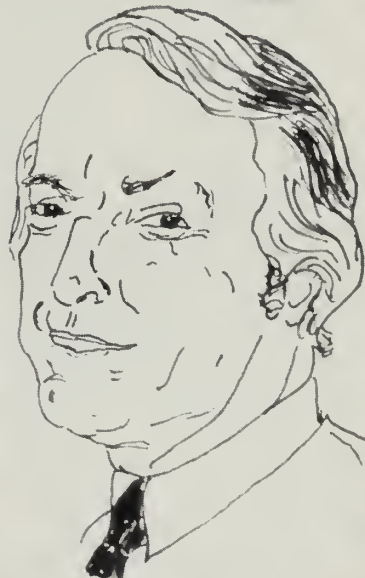

Henry David Thoreau

Success

"To laugh often and love much; to win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to give of one's self; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived ~ this is to have succeeded."

STOUGHTON SCHOOL COMMITTEE

Mr. William Dineen, Mr. John Dacey, Mrs. Rosana Molinari, Dr. Peter Sperandio, Mr. John Donnelly, Jr.

Everyone likes to take pot shots at the School Committee. Meeting at least three or four times a month, the members of the school committee, who are not compensated, must cope with a variety of communities:

They must satisfy the taxpayers who sometimes act as if they feel that one can get \$1.25 service for every \$1 spent, and who agree that the committee has a right to establish priorities, as long as it's the priorities with which the complainant agrees . . .

They must satisfy the faculty, who understandably feel that educational decisions must be made by professional educators only, and that every program is a sacred one with unlimited resources, and that failure to provide for every need is a betrayal of an educational trust . . .

They must satisfy the students, who regard them as conservative old hossbeens, who were never students themselves, who can't understand why sometimes restrictions must be placed on students . . .

These are normal concerns for a school committee. During the past year, they have been complicated by the fact that the taxpayers have imposed a Prop 2½ limit, that the economy is providing double-digit inflation, and fiscal autonomy has been lost.

For keeping the schools operating in the face of these negative restraints, for trying to satisfy and meet the needs of all in the best way they can, the STOUTONIAN staff offers a special citation to the members of the School Committee.

TO THE CLASS OF 1982:

Graduation! The culmination of your years at Stoughton High School. May I wish you my warmest and sincerest congratulations on this wonderful occasion. Congratulations and thanks must also be extended to your family and the community for the sacrifices they have made and the support they have given to the high school on your behalf.

As an educational institution reflecting the needs of the community, we have tried through the curriculum to provide you with the necessary experiences to make you function as capable and caring citizens - one of which is that learning is a lifelong endeavor. I urge you to use this knowledge to strive for social, intellectual and moral excellence.

Thank you for the many contributions your class has made to the Senior High School, both in the academic and athletic areas.

May the joy you experience today continue in the days ahead. I hope the future rewards you with health, happiness and success.

Sincerely,

JOHN G. MURRAY, Ed.D.
SUPERINTENDENT

Dear Members of the Class of 1982:

As Superintendent of Schools, I wish to extend to you my congratulations on the occasion of your graduation from Stoughton High School.

I am looking forward, as I know you are, to the happy events of graduation week, during which time we will have the opportunity to extend our thanks to your parents and family who have given so much to make graduation night a reality. It will be a time for us to pause and to reflect upon how thankful we should be for the partnership they have shared with you and the schools in your social, spiritual, and educational development. The preparations they have made for you, enriched by the educational opportunity afforded by the Stoughton Public Schools, is reflected in the mature vision you have for the years ahead.

As your parents have guided you, so too have your teachers given much of their personal and professional training in order to prepare you for the world in which you will live. The dedicated staff of the Stoughton Public Schools is very proud of you and I am justly proud of the work they have done. And so, on behalf of all the members of the Stoughton Public Schools, I take this opportunity to thank you for allowing us to be your partners in the great undertaking: namely, your education.

May I take this opportunity to thank you as a class for the great contribution you have made to the school system. To those individuals whom I had an opportunity to know on a personal level, may I thank you for the many kindnesses extended to me and members of my family. May the years ahead be filled with good health, happiness and success.

Please come back to visit. You will always be welcome.

Best of luck to all of you.

Sincerely,

John G. Murray Ed.D.

Dedication

Seniors are at a crossroads. Senior year is that special period when important decisions must be made, but it is also a time to ride the crest of the wave, concluding this portion of a long educational process. Graduation sends seniors in new directions, facing new challenges, in new places.

We wish to recognize and applaud the efforts of two individuals who perform vital services during this special year.

Mrs. Mortho MacNevin

Mrs. Martha MacNevin . . . From her secretarial position in the guidance office, Martha does more to advance students' college applications than any other individual. She types all the transcripts and guidance recommendations, as well as the mid-year reports to colleges. Her ability to immediately simplify the maze of course selections, standardized testing and requirements has made her invaluable over the years, and especially during the college application process.

Mr. Sumner Topper

Mr. Sumner Topper . . . Mr. Topper does a very special service concerning this special year. He helps to solve it. His expertise and understanding enables SHS students to produce an exceptional yearbook, which preserves the faces and thoughts of 1982. When seniors arrive in their new places in all fields of endeavor, they can leaf through the pages of a yearbook and remember senior year. As advisor to the yearbook staff, Mr. Topper teaches all aspects of the production of the book and spends countless hours assisting staff members in this pursuit.

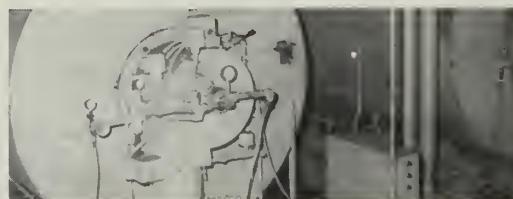

Both individuals are worthy of our appreciation and admiration. Therefore, we jointly dedicate the 1982 *Stratton* to Mrs. Martha MacNevin and Mr. Sumner Topper.

(Mrs. MacNevin and Mr. Topper were the two leading nominations in a dedication survey completed by SHS seniors.)

CLASS OF 1982

TO THE CLASS OF '82:

Graduation in June brings us to the end of an outstanding high school career as a class. I feel that if there was not such close contact and cooperation between the members of our class and the advisors, Mrs. Cossery and Miss Crimmins, our activities would not have been so successful.

Much of our success has been due to the tireless work of Jay Eagles, vice-president; Julie Polvinen, secretary; and Ellen McCarthy, four year treasurer; and most important, to the efforts of our entire Senior Class Executive Board.

I'd also like to thank the past class officers: Kim Carolano, Chris Marino, Stephanie Welch, Beth Foster, Lori Kerman, Pat Dunne, and John Quattrucci.

Thank you, Seniors, for making my four years at SHS an unforgettable experience.

Sincerely,

TO THE CLASS OF 1982: I have enjoyed working with each of you both as your co-advisor, with Miss Crimmins, and this year, as your advisor.

This rewarding experience of working with you has provided memories and friendships I will cherish for years to come.

Thank you for the cooperation and enthusiasm and for the time and effort you have exhibited. I am proud of the goals you have achieved and confident you will set new goals for each one you seek.

Never lose sight of the fact that it's not the winning nor the profits that count, but what we learn along the way.

Best wishes for success and happiness as you leave SHS and journey to new horizons.

MARY ANNE CASSERLY

MISS KATHLEEN CRIMMINS
Advisor

During the first three years that the class of 1982 spent at Stoughton High School, Miss Kathleen Crimmins was one of our advisors. She never failed to give less than 100% of her time, effort, and friendship. Although she has now taken on other responsibilities, she has continued to exhibit her support of and confidence in our class. We wish her happiness and success always in her future endeavors.

At the same time we would like to thank Mrs. Mary Anne Cossery for picking up the reins as advisor for our senior year. Without her devotion and encouragement many of the memories we will take away from our final year at SHS would not have been possible. For her fine contributions to our class, we will always be grateful.

IN MEMORIAM

Man with the burning soul
Has but an hour of breath
To build a ship of truth
On which his soul may sail —
Sail on the sea of death,
For death takes toll
Of beauty, courage, youth,
Of all but truth.

(John Masefield)

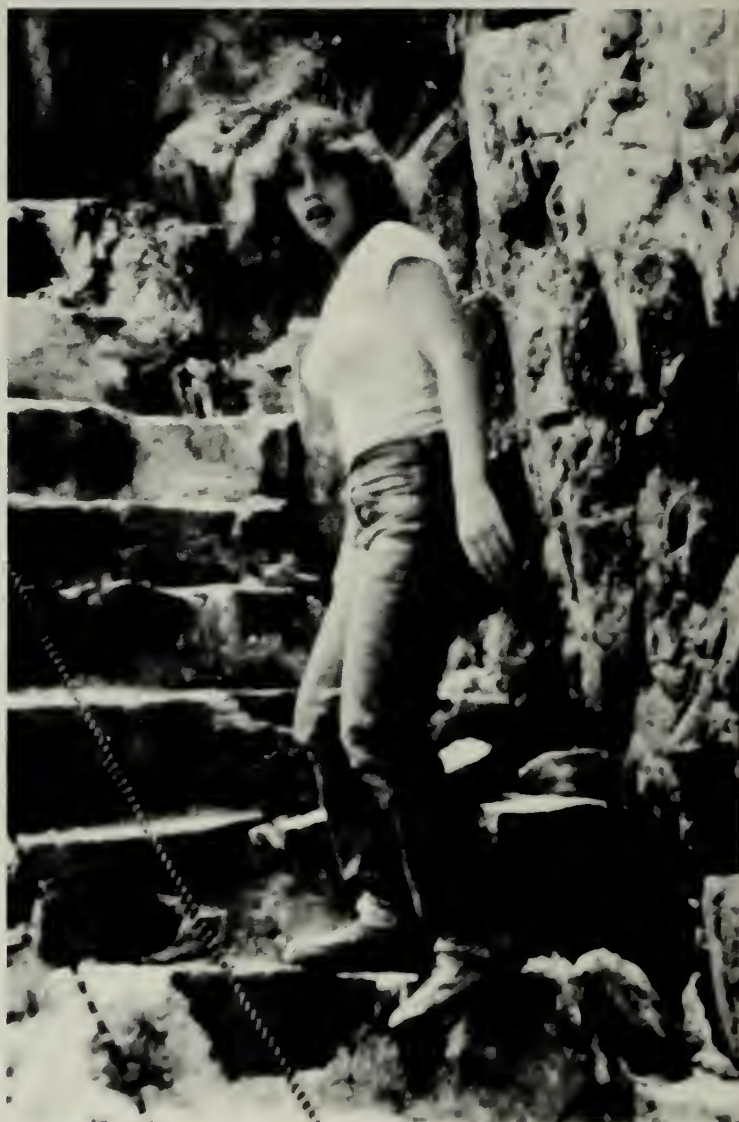

If there is one truth which one has learned by the time one has reached the graduating year of high school, it is that death, with all its unpleasantness, is a continuing part of our existence.

In the news each day we learn of the tragic deaths of countless numbers in war, in fire, in accident, through incurable sickness, through environmental carelessness, through birth factors over which we have no control. The death may be a lingering one, or it may come with numbing suddenness.

But it comes. We see it in our families, we read about our neighbors, and, saddest most of all, we share the news of the departure from this world of fellow students, friends with whom we have shared a distinct part of a large part of our own existence — our school years.

Death has been no mystery to the Class of 1982. What is ironic is that, as if teaching us another truth, Death has visited us in each of the three levels of our school life — the elementary, the junior high, and the high school.

Let us not dwell on tragic what-might-have-beens. We still haven't learned the truth of why these things happen. Instead, let us dwell on the memories of the good times we had with those of our classmates who might be sharing this final year with us — and in that spirit the STOTONIAN dedicates the IN MEMORIAM page to Mark Newberry, who left us in elementary days; To Stephen Katz, a junior high memory, and to Patty Climo, who departed this world in our sophomore year.

Golden Memories

Memories are treasures no one can steal,
Death is a heartache no one can heal;
Some may forget you now you are gone,
But we shall remember, no matter how long.

GOLF TEAM: (Front) David Saltzman, John Wilczewski, Keith LaPorte, Paul Meskonis (Rear) Coach Pete Everett, Scott Carlson, Gerard Walsh, Dennis Donahue, Chris Gill.

The SHS golf team headlined a very successful '81 season, capturing the top spot in the Hockomock League alongside Oliver Ames. Under Coach Pete Everett, the unique band of golfers established an impressive record of 8-2 in league play and 10-2 overall.

Though relatively unrecognized in the past, the golf team is rapidly making a name for itself at Stroughton High. The key to the team's success has been a group of consistent players, including the likes of John Wilczewski, David Saltzman, Keith LaPorte, Chris Gill, and Paul Meskonis. Though the golf squad will be losing seniors Wilczewski and Saltzman to graduation, Everett is confident his younger players will take up the slack and prove very competitive in the years ahead.

VARSITY: (Front) Darcy MacDonald, Paula Karaversos, Julie Palvinen, Ann Malinawski, Jaan McGrath, Maura McNamara (Rear) Lisa Aguiar, Suzanne Blamstram, Michelle Davis, Debbie Swartz, Patty Quattrucci, Yolanda Pena, Karen Tead, Maureen McGowan, Caroline Danaghue, Danna Berry.

The varsity field hockey team concluded a respectable '81 season, while pasting upsets over the Hockomock League's top teams. With a final record of 3-9-4, Coach Barbara Barchelder's girls finished fifth overall. Among the highlights of the season included a 3-2 triumph over first-place Canton (which subsequently sent the Bulldogs into second position) and a tie with Foxboro's reigning champions.

Co-captain Ann Malinawski, voted Hockomock League All-Star for the third consecutive year, was the key to Staughtan's success. A very talented athlete, Malinawski earned the multiple honors of "Best Player" in the Hockomock League, and *Patriot-Ledger* and *Brockton Enterprise* All-Scholastic Awards. She was also elected captain of the Hockomock All-Star squad. In addition to Malinawski's efforts, vital contributions to the field hockey team were made by co-captain Julie Palvinen, as well as seniors Paula Karaversos, Kim Catalano, Darcy MacDonald, Jaan McGrath, and Maura McNamara.

Once again, the varsity soccer team proved to be a Hockomock League power as they finished 9-5-2, qualifying for tournament play. Under the watchful eye of Coach Mike Stuber, the Black Knights suffered a disappointing 0-3 start, only to bounce back with nine wins.

Much of the team's success can be attributed to Stuber's superior coaching. Stuber's guidance, combined with junior scoring machine John Amoral running the offense, and the defense of Keith Galizio, Doug Hadley, and captain Jim McNamara, made Stoughton nearly unstoppable down the stretch.

Stoughton captured an emotional victory over Xoverian in the final game of the regular season to qualify for the South Sectional tournament, and then lost to the same Xoverian squad in the first round for the second year in a row.

The Knights will lose six seniors, but with returning juniors such as Hadley, goalie Joe Silva, and captain Larry Painten, Stuber is looking forward to another successful season.

Despite opening wins against Quincy and North Quincy, the SHS swim team suffered nine consecutive defeats before claiming their third and last victory over Sacred Heart of Weymouth.

Coach Chris Brady's girls proceeded to lose their two final meets before closing the '81 season with a record of 3-11.

Though the team was plagued by a dismal record, highlights of the season included consistently fine performances by Lisa Clough, an outstanding SHS swimmer who holds school records in the 200-yd. medley relay, the 50-yd. freestyle, the 100-yd. freestyle, and the 400-yd. freestyle relay. She was subsequently selected as a league all-star, and Jodi Davidson set a school record in the 200-yd. individual medley.

Also among the strong swimmers for the swim team were Meg Schillinger, who shattered the school record in the 500-yd. freestyle, and Holly Robichaud who displayed a variety of swimming skills and outstanding versatility.

Co-captains Bob Ricci and Jay Eagles led the band of trackies to a three-way tie for third spot in the Hockomock League with a dual meet record of 5-3.

Though the SHS harriers had expected to dominate the league, an opening loss to King Phillip and losses to surprisingly strong teams from Sharon and Foxboro crushed Stoughton's chances for the league title.

In addition to Ricci and Eagles, swift performers during the season included senior Pat Dunne, juniors Dave Jordan and Stuart Turok, and sophomores Paul Bunson and John Velioris.

CHEERLEADERS

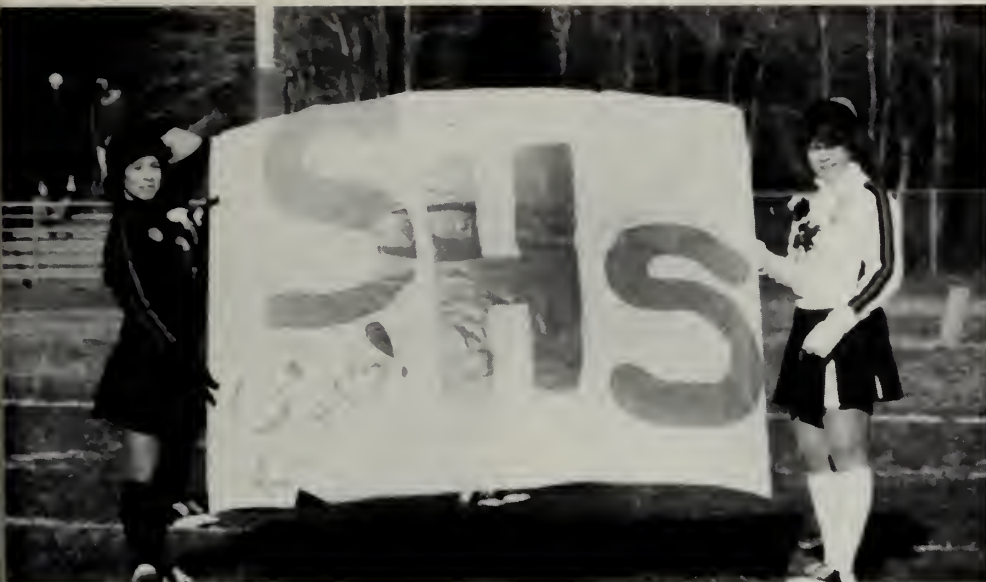

In what could have been a boring, apathetic year, the cheerleaders did their best to provide some kind of "school spirit" in our lives. Everyone spoke about cutbacks in money, cutbacks in sports, cutbacks in teams, lack of spirit, and everything else that goes along with complaining. The cheerleaders didn't waste time whining or moaning what is happening to school athletics. They went about doing the job they had signed up for — serving as catalysts for the student body. Starting with the first freshman assembly, when the new freshmen met a taste of "school spirit," through the first (or least in recent years) winter rally, the cheerleaders kept the fires going. At all games, despite cold, heat, and rough transportation, the leaders practiced, performed, and instilled some contagious enthusiasm in all sports and for all teams. The rallies were voluntary, and those who didn't care went home. Some of the games were packed, some were sparsely attended, but the cheerleaders were always there, for the cheerleaders!

FOOTBALL

Despite a record of 1-8-1, the Black Knights experienced a fairly good season. With a student population of approximately 1700, a roster of 47 bodies illustrates an obvious lack of participation. Throughout this frustrating season, however, in which a record number of seven quarterbacks were used, the Black Knights proved themselves to be a dedicated and talented group of athletes.

Though the Knights fielded primarily a senior squad, many underclassmen made immense contributions in tight situations. Four members of the team were named to the 1981 All-Hockmuck League Squad. They were Seniors Kevin Moriarty (offensive tackle) and Ed Homer (offensive end), and Juniors Dorin Jordan (defensive nose guard) and Larry Smith (offensive halfback). Head Coach Jack Cosgrove and his staff have worked tirelessly for the team, and his efforts should begin to bear fruit next year.

Before sustaining a broken collarbone, sophomore quarterback Jim Overstreet led a dangerous Stoughton offense, throwing to receivers like Tim Plunkett, Mark Harding, and Jim Compbell.

The win-loss record this year simply did not tell the story of this season. The Black Knights went down to the wire with two teams that were ranked in the top five in the division. The North Attleboro game was a picture of desire as Stoughton's defense all but shut down the second most powerful offense in Division 3. N.A. scored with just seconds remaining to just barely escape the biggest upset of the season. Three weeks later, Stoughton traveled to Somerset to face, at that time, the No. 1 ranked team in Division 3. Once again Stoughton surprised their opponents by shutting down their powerful offense and running right through the Somerset defense. The outcome was a disappointing 22-18 loss, but the Black Knights had proven to be powerful contenders.

International events claim much of public attention as controversy and diplomacy peak all over the globe . . . above all, Poland declares an internal state of war and imposes martial law on its citizens . . . hard-fought social and economic gains achieved by the Solidarity labor union are lost, and the union itself is abolished . . . "Time's" Man of the Year, Lech Walesa, is confined by Polish authorities . . . or first, union members react by striking in factories, mines, and shipyards, but eventually the protests diminish . . . President Reagan imposes economic sanctions on Poland and the Soviet Union. The violence and unrest are slowly quelled, but the reforms gained by Solidarity are not reinstated . . . the President is warred by reports that terrorist "hit squads" have been sent to the U.S. by Muammar Gaddafi, Libya's radical leader. Upheaval continues in Central America . . . Israel annexes the Golan Heights and is subsequently rebuked by numerous world factions . . . the state redistricting controversy involves Congresspersons Margaret Heckler and Barney Frank . . . the government briefly runs out of money, but an emergency funding measure restores solvency . . . the garbage piles up as New York City sanitation workers remain on strike . . . Natalie Wood dies . . . the Patriots finish their worst season ever . . . Danny Ainge becomes a Celtic . . . unemployment reaches a new peak . . . on the SHS scene, the musical "Grease" plays to huge audiences, the second performance coming on the night of a two-foot snowstorm which closed schools for two days . . . the four classes and Student Council sponsor a successful Winter Dance . . . music students perform in the annual Winter Concert . . . the winter sports season begins . . . holiday time is here.

GREASE

December 4 & 5, 1981

The hit musical "Grease" was truly a hit at Stoughton High School as more than 1500 avid 1950's fans filled the auditorium over the two nights. The energetic cast was led by veteran performers John (Danny) Quattrucci, and Maria (Sandy) Sangiolo. The large crowds thrilled to production numbers including "Summer Nights," "We Go Together," and "Greased Lightnin'." Due to tremendous response and the snowstorm which hindered attendance Dec. 5, an encore performance was presented Wednesday, December 23, which was open to the student body. Directed by Mrs. Linda Dolan, the large cast brilliantly recreated the atmosphere of the 1950's, to produce a most memorable musical.

The cast included John Quattrucci, Maria Sangiolo, John Whittingran, Gayle Belliveau, David Stalow, Cheryl Klim, Danny Remmes, Chrissy Kelleher, Ronnie DeSilva, Martha Myers, Michael Jackman, Stephanie Welch, Jessica Kerwin, Allison Gabriel, Robert Westbrook, David Breen, Allison Goodman, Mark Torbox, Steven Smith, Maria O'Connell, Bill Stenstrom, Lori Terrante, Jim Moots, Priscilla Gelgis, Billy Moots, Laura Sweeney, John Homer, Susan Crandall, Michael Ferrini, Susan DiGiampietro, Eric McIntyre, Ann Malinowski, Ilene Springer, Paul Egershelt, and Susan Sereno.

Enjoying the Pajama Party are Marty (played here by stand-in Jessica Kerwin), Sandy (Maria Sangiolo), Jan Cheryl Klim, Betty Rizza (Gayle Belliveau), and Frenchy (Chrissy Kelleher).

Stephanie Welch as Marty sings "Freddie My Love" to a round of applause.

Miss Lynch (Alisan Gabriel) welcomes everyone to Ryandell High's Class of 1957 Reunion.

Daddy (Ronny DeSilva) sings and plays his masterpiece "Magic Changes" to the back-up of Danny (John Quattrucci), Rager (Danny Remmes), Kennickie (John Whittingran) and Sunny (David Stalow).

Patty Cummings

Ann Bender

In her third year as a gymnast, Patty Cummings led the gymnastics team as highest scorer. Under the coaching of Laurie Matta, Cummings and her teammates finished with a 2-12 record. Highlights of the season included a 70.0-60.4 win over Foxboro and at least five meets in which the girls scored more than 90 points. Unfortunately, a number of close matches were lost due to the illness of squad members.

A formidable contender in all events, Cummings averaged 29.6 points each meet. Freshman Kim Romaine also proved to be a consistent gymnast, taking second place for Soughton in every event. In addition to Cummings and Romaine, outstanding performers for the gymnastics team included Jody Roseman (vault), Ann Bender (uneven parallel bars, balance beam), Dianna DiCastrro (balance beam, floor exercise), and Laura Laring (floor exercise).

Starting the year as underdogs, Stoughton's varsity hockey team reversed that initial impression and finished 11-8-1, good for third in the rough Hockamack League. Facing co-champion Canton, Stoughton suffered three hard-fought losses, while raking two of three from a new rival, Southeastern Regional. Stoughton distinguished itself by playing a coordinated, team-oriented style under Coach Ray O'Malley.

Seniors Ron Hawes, Brad Weeks, and Keith Galizio, along with Mike Bousquet, led the Black Knight offensive attack. While the large senior contingent will be missed, the line of John Murray, Richard Dray, and Bousquet can be expected to take up the slack in their third year of varsity play. Also returning to help the Black Knight cause will be David Gearin, Len Intrevasato, and goaltender Dave Weeks.

WRESTLING

Under captains Jack Malaney and David McLellan, the wrestling team completed its 1981-82 season with a record of 3-9-2. The underdog Straughtan squad posted a respectable loss against undefeated Quincy, one of many formidable Suburban League teams. The Knights were overcome 36-27, during the final matches of the meet. Against Hockamock League rival Franklin, SHS settled on a tie with four consecutive pins by Mark Jordan, Chris Chamberlin, Ed Daly, and Jack Malaney.

With underclassmen Jeff DiMatteo, Jahn Carbett, Ed Daly, Kevin Riddell, and Chamberlin returning next year, Coach Tam Buckley is understandably optimistic about the future. DiMatteo and Riddell did well in the Eastern Mass. Sectional Tourney, placing second and fourth respectively.

(The yearbook staff regrets that the team picture was taken during the absence of Larry Smith.)

Coach John Douglas advises his varsity squad.

Success has long been a tradition for the basketball team at Stoughton High School, and the 1981-1982 edition did more than continue the tradition, they enhanced it. The Black Knights marched to a 13-3 season (15-3 overall), good for a share of the Hockomock League Championship and Stoughton's first tournament berth in four years.

Coach John Douglas' small, but speedy squad displayed an exciting brand of team-oriented basketball. With possibly the best press in the league, Stoughton was able to force numerous turnovers and convert them into fast-break baskets. Applying intense pressure, the Knights could run off eight or ten points of a stretch and turn a game around.

Throughout the season, the Knights were led by the all-around performance of Captain Bob Ricci, the team's leading scorer. "A real sparkplug," according to Douglas, Ricci showed his ability to dominate the game for short periods of time with strong defensive pressure and offensive firepower.

The remainder of the Black Knight attack was comprised of role players who combined for consistent production. Junior David Jordan established himself at the point-guard position, while Mike Doucette utilized his outside shooting ability to score from the off-guard spot. Under the basket, Darin Jordan took advantage of his fine leaping ability and strength to challenge for offensive rebounds. Larry Smith also worked from the low position, while occasionally electrifying the crowd with dazzling drives to the basket. At both ends of the court, Rich Tepper and John Galanis were invaluable assets coming off the bench.

In the showdown of the season, before a packed crowd in the SHS gymnasium, the Black Knights took an 80-73 victory against Oliver Ames to claim their share of the Hockomock League title. Ricci poured in 24 points and David Jordan added 20, and some fine passing to snatch the victory.

In the first round of the Division I tournament, the Black Knights were defeated by B.C. High, 61-48. The Knights never got their offense clicking and B.C.'s taller frontcourt prevailed. The game was lost in the second quarter when B.C. outscored Stoughton 17-3.

Not to be outdone, Stoughton's sub-varsity players took the undisputed Hockomock League championship, posting a 14-2 record. This squad, along with several returning varsity players, keeps prospects for the SHS basketball future positive and promising.

The girls' varsity basketball team, under co-captains Ann Malinowski and Beth Collins, bounced back from last year's dismal 4-14 standing to post an impressive record of 11-8. Coach Denise McCarthy's girls finished fourth overall in the Hockomock League.

Malinowski, noted for her athletic prowess, led the team in scoring with an average of 12 points and 10 rebounds each game.

Underclassmen Dawn Young and Dianne Blomstrom led first-year Coach Janice Ferretti's subvarsity squad to a 17-2 record, giving Coach McCarthy an optimistic outlook for the years ahead.

February

The trials of Wayne Williams (Atlanta murders), Claus Von Bulow (high society scandal) and Barry Locke (MDIA corruption) top the headlines. U.S. involvement in El Salvador creates major controversy. President Reagan projects huge budget deficits for the near future. Tragedy strikes Japan (24 dead in airplane crash) and the North Atlantic (117 dead when all ring sinks). The Pope makes his first trip abroad since his shooting the previous spring, visiting Africa. Reagan promotes his New Federalism. "Bette Davis Eyes" is the number one song of the Grammy Awards. Quincy Jones picks up five Grammys while John Lennon and Yoko Ono's "Double Fantasy" wins the best album award. Former governor, Michael Dukakis, wins the state Democratic caucuses. The Red Sox sign Mark Fidrych for a tryout as spring training begins. Wayne Gretzky rewrites the NHL record book. Valentine's Day visits SHS and a computer match-up provides students with lists of their most compatible classmates. Over 1200 flowers are delivered by the Honor Society on the traditional Flower Day. Both boys basketball teams capture Hockomock League championships. The Jazz Chair places FIRST in the All-New England jazz competition or the University of New Hampshire. The Jazz Band places fourth in the UNH competition. Tim Lyons and Nathan Rudin are named finalists in the National Merit Scholarship competition.

MOCK TOWN MEETING March 2, 1982

On Tuesday, March 2, Sraughton High School students participated in a simulated presentation of Town Meeting. This Mock Town Meeting, sponsored by the Student Council, gave students an opportunity to express their opinions on many issues concerning the school environment. David Breen and Priscilla Geigis acted as co-moderators, following parliamentary procedure and closely adhering to the procedures of an actual Town Meeting.

Students discussed and voted on articles concerning attendance policy, student privileges, extra-curricular activities, and smoking privileges. Student Council presents the results of the Mock Town Meeting to the School Committee and High School administration for possible action and policy changes. While working to find constructive solutions to school problems, students received a useful lesson in the functioning of local government.

STATIONIAN

Yearbooks are forever. Yet, all yearbooks are different. What distinguishes the 1982 Stationian is the creativity and imagination demonstrated in the page layouts. Several factors enabled us to produce such an outstanding book:

— Our Senior Section staff, coordinated by Andrea Saperstein, completed their work by Christmas, freeing staff members for new responsibilities.

— Although small, our Business staff, under the direction of Jeffrey Blocker, acquired 26 full pages of advertisements. These advertisements, combined with successful sales operation, provided the funds for special features in our book.

— The Art staff, led by the efforts of Dorothy Bares, contributed unique and creative designs throughout the book.

— Our Managing Editor, Jay Eagles, almost single-handedly made our Year-in-Review Section a fine collection of events and memories which will preserve this special year.

— Most importantly, the guidance of Mr. Sumner Topper kept our production efforts on course. The staff of the 1982 Stationian wishes to express its gratitude for his teaching and service, which lasts forever.

I am confident that readers of this yearbook will come to appreciate the efforts of these individuals and the entire yearbook staff. I have!

Good Luck, '82

Congratulations Class of '82

Now that you have completed your high school education, unlimited possibilities for interesting careers await you. With your high school diploma, you can afford to be selective in your choice of career. We would be pleased to discuss with you at any time opportunities available, both in our office and distribution center, as well as retailing in the hundreds of shoe departments we operate coast to coast. Whatever your career decision, we extend to you our best wishes for your success.
